

U. S. PUBLIC LAND SURVEY MONUMENT RECORD

SECTION 13, T14N, R5W, TOWN OF COON
VERNON COUNTY, WISCONSIN

LOCATION OF LANDMARK

Crew: Laurence E Johns III
Larry Handschy

Date: 5 April 2010

Describe any record evidence, monument evidence, testimonial evidence or any other material evidence you considered and whether the monument was found or restored through acceptance of an obliterated evidence location.

Bearing trees of record were not located.

Set Lunde Monument at the single prorated location.

This location fits fence occupation 900'± South of this location. This seems to indicate that Tomten Lane was intended to be entirely in Section 13.

Berger Road appears to bend around this location. The centerlines to the East and West at locations 200'± distance appear to line up with this location.

Corner is located in the North shoulder of Berger Lane.
